18. The new CYO bathroom fitting series from **DORNBRACHT** has a sculptural C-shaped spout inspired by a design from the company's 1969 archive. The handle is notable because it is operated using a rotatable outer ring, giving users a tactile response each time they turn the handle. Price is available upon request. www.dornbracht.com

19. **ATLAS CONCORDE USA** has expanded its most popular collection, Fray, and welcomes Boho and Outland as the newest additions to the brand's lineup of porcelain tiles. Shown here, Boho has earthy tones and warm terracotta colors reminiscent of the Mediterranean countryside paired with geometric, Moroccan-inspired modern patterns. Price is available upon request. www.atlasconcorde.com

20. The **WOLF** 36-in. Outdoor Gas Grill has two individually contained 25,000 btu grill burners and can be installed as a built-in or used as a freestanding cart. The red control knobs are LED lit for grilling at any time of the day, and the grill resists the elements with its all-weather, stainless-steel construction. MSRP is \$6,345. www.subzero-wolf.com

21. The Gypsy Kitchen Faucet from **BARCLAY** features a contemporary design and a double-function sprayhead and is available in matte black and rose gold. Flow rate is 1.8 GPM at 60 psi. The MSRP is \$391. www.barclayproducts.com

21

22. The Maris Granite sinks from **FRANKE** are single bowls with scratch-and-stain-resistant qualities that are available in six neutral colors. The top-mount granite sinks are equipped with easy installation, and a tighter corner radius and rear offset drain maximize bowl space and create more room. MSRP for the sink shown in matte black is \$825. www.franke.com/us/en

23. Designed by Vittore Niochi, the new Formalia Collection from **SCAVOLINI** is highlighted by a shaped door with a metal handle for a contemporary silhouette. Formalia also includes the Status Wall System, a modular, open-fronted structure that can be included in the kitchen project or installed freely as a partition element between adjoining living areas. Price is available upon request. www.scavoliniusa.com

24. **VIADURINI** presents Buoncailope, a modern kitchen cart made of solid teak wood and stainless steel and includes a Teppanyaki plate. Thanks to the hollow shape and the large induction coil, the entire surface of the pan heats up evenly. Max consumption is 3200 W, and the MSRP is \$13,897.13. www.viadurini.co.uk
